

Certificate of Completion for the Workplace Transformation and Trust Building

Course Information Sheet

In today's business world, the key to real success lies not only in having the right technical skills. It's just as important to have the right soft skills. Soft skills are about job enhancement, relationship management and the way we interact with people on a daily basis. There is a growing acknowledgement that developing these skills is vital to the success of any business and the growth of their employees.

What we do

We build High Trust Teams / Cultures that are values centered.

- Enhance productivity
- Break down barriers within and between teams, management and staff, unions and employers
- Create deeper understanding, tolerance, open communication
- Develop creativity and innovation
- Grow individual accountability
- Personal empowerment

How we do it

The processes are customized and include a combination of classroom and field activities. The field activities are provided through our Cultural Encounters division.

About the Programme

- Duration: 3 days
- (group onsite rates available on request)
- Training in house or on campus
